

# Week Seven: - build your kingdom here

Later in today's service we will worship God with a song called 'Build your kingdom here'. This is a song about what the church is supposed to be, and asking God to help us be what he wants from church. As you play today think about what Church is to you!

Come set Your rule  
and reign  
In our hearts again  
Increase in us we pray  
Unveil why we're made  
Come set our hearts  
ablaze with hope  
Like wildfire in our very souls  
Holy Spirit, come invade us now  
We are Your church  
We need Your power in us

Makaton is a language programme of signs and symbols which is used by over 100,000 people either as their main method of communication, or to support speech. Today we will use Makaton to worship God and ask him to help us be what he wants from the church

The sign for church is using our hands to pretend to pull a bell. It also looks like stacking rocks on top of each other; In the Bible Jesus told Peter he was the rock that the church would be built on, so as we sign we can remember all of the church who came before us!

We seek Your  
kingdom first  
We hunger and we thirst  
Refuse to waste our lives  
For You're our joy and prize  
To see the captive  
hearts released  
The hurt, the sick, the poor at peace  
We lay down our lives for Heaven's cause  
We are Your church  
We pray revive this earth

We know that the church is the people in it and not the building. Today you can use lolly sticks to make people to put into your church!

Build Your kingdom  
here  
Let the darkness fear  
Show Your mighty hand  
Heal our streets and land  
Set Your church on fire  
Win this nation back  
Change the atmosphere  
Build Your kingdom here  
We pray

Unleash Your  
kingdom's power  
Reaching the near and far  
No force of Hell can stop  
Your beauty changing hearts  
'Cause You made us for much more than  
this  
Awake the kingdom seed in us  
Fill us with the strength and love of Christ

This song asks God to heal our streets and land, you can use the maps to make heart decorations- have a close look, can you find your street!?
